This isn't your average golf tournament - at the IHYC Golf Classic, golfers will have a **fun and interactive experience to learn about Iowa Homeless Youth Centers** and the youth we serve. With IHYC's Homeless Simulation, golfers will experience what it's like to be homeless while playing 18 holes at Copper Creek Golf Club. Throughout five stations on the course, teams will live the story of a homeless youth, and will experience the set-backs and step-ups. Golfers will draw either a "step up" or a "set-back" card by chance at each station, and follow the directions on the card. By the end of the day, they will learn about the real-life challenges and successes that homeless youth face in Central Iowa.

A silent auction will be open throughout the morning, with bidding ending at the end of lunch in the clubhouse. Awards and prizes will be given at lunch. At the end of the day, we will hear from a **youth speaker** and recognize an outstanding individual with the **"Stand Up for Homeless Youth Award."**

ABOUT THE CAUSE

Iowa Homeless Youth Centers (IHYC) works to eliminate homelessness among children, youth, and young families in Central Iowa. We believe, with support and assistance, homeless youth can attain self-sufficiency and break the cycle of poverty. Through case management and advocacy, our dedicated staff works with youth (17-24) and young families (17-24) to become self-sufficient, and plan for a healthy and successful future. We focus on five key areas: **employment, education, living skills, positive community engagement and safe housing.**

Programs include: Youth Opportunity Center (drop-in center and youth-focused emergency beds), Street Outreach, Supportive Housing, Iowa Aftercare Services Network, and Post-Secondary Education Retention.
