

ADOLESCENT PREGNANCY PREVENTION INTERNSHIP

Apply by emailing your cover letter and resume to Taylor Nuehring at tnuehring@yss.org

Program Description:

The Adolescent Pregnancy Prevention program provides comprehensive prevention, education, and intervention services to teens, parents, and communities. Program services include age-appropriate, science-based sexual health curricula to teach sexual responsibility and pregnancy prevention and a free teen clinic to increase adolescents' access to family planning services, including contraception and STI testing. Individual counseling and parent education services are also provided. These programs are offered in a variety of settings, including: schools, youth-serving agencies, social service organizations, churches, hospitals, clinics, community groups, PTO/PTA organizations and individual sessions.

Location:

Services provided in Boone, Story, and Polk Counties

Job Duties:

- Assist with planning and implementation of school based activities. Interns will teach themselves following a period of shadowing and co-teaching.
- Assist with data collection for evaluation and reporting purposes
- Assist with planning and implementation of community outreach events, including fundraising
- Attend applicable trainings
- Attend staff and advisory board meetings and community programs and meetings as assigned

Training & Supervision:

- Must attend an orientation to cover YSS policies regarding confidentiality, drug-free work environment, and child abuse reporting
- Will be invited to attend any YSS all staff trainings that are available during internship period
- Will attend conferences and trainings with APP staff as available during internship period
- APP Intern is supervised by the APP Program Coordinator. Weekly supervision sessions will be provided

Time Commitment/Requirements:

- Minimum of 10 hours/week
- Must report hours to Volunteer Coordinator weekly
